To whom it may concern:

This letter provides the current status of Haoran Xu in the CFA Program as of 11 October 2024.

CFA Program	Status
Level I	Pass
Level II	Pass

The CFA credential is the most respected and recognized investment designation in the world as it demonstrates superior competency in advanced portfolio management, financial expertise, and technical skills, underpinned by ethical conduct and the highest standards of practice. Successful CFA Program candidates report that they spend an average of 1,000 hours, in aggregate, studying for all three levels.

Beginning with the February 2024 Level I exam, the CFA Program requires completion of a Practical Skills Module (PSM) at each level. This requirement allows candidates to apply what they are learning in the curriculum to real-world scenarios. Haoran Xu has completed the following PSM(s):

- Analyst Skills
- Python, Data Science & AI
- Python Programming Fundamentals

Dear XU, HAORAN,

Congratulations! You passed the Financial Risk Manager (FRM[®]) Exam Part II

On behalf of GARP, the GARP Board of Trustees, and the FRM Committee, we commend you on this achievement. You can view a more detailed analysis of your results and performance by logging on to garp.org and going to "My Programs".

To complete the FRM Certification process, you will need to demonstrate two years of professional work experience. Once Certified, you may use the FRM designation on professional correspondences. Certified FRMs are also strongly advised to participate in GARP's Continuing Professional Development (CPD) program, which offers access to a broad range of accessible learning opportunities as well as the tools you need to track and document your activities. While participation in CPD is voluntary, the program is a great opportunity to stay up to date with industry trends and demonstrate commitment to the profession.

We wish you success in your risk management career.

Sincerely yours,

William May
